<b>OUTLINE PROJECT DESCRIPTION</b> Short description so others not associated with the project can understand its purpose and scope. Include aims & objectives, and expected beneficiaries (max 150 words)	Wolvercote Cricket Club is seeking funding for <b>one additional roll-on cricket net</b> to enhance our current training facilities. With over 230 youth players and only two fixed nets and one roll-on net available, demand during training nights far exceeds capacity. Securing just one more mobile cage—like the Pro-Club Mobile Cricket

	<p>Cage—would enable us to run four nets simultaneously. This small but crucial addition would have a big impact: allowing for smaller training groups, more individual time for players, better coach engagement, and ultimately greater enjoyment and skill development. It's a cost-effective way to support our growing youth section and continue delivering high-quality, inclusive cricket training to the local community.</p> <p>As a longstanding community cricket club, we are committed to maintaining and improving our facilities, not only for the benefit of our players and members but also to meet league requirements and provide a high-quality experience for visiting teams and spectators.</p>

<p><b>RELEVANCE TO THE NEIGHBOURHOOD PLAN</b></p> <p>How does the project enhance or develop our neighbourhood?</p>	<p>This project supports the aims of the Wolvercote Neighbourhood Plan by enhancing access to high-quality, inclusive leisure facilities within a valued local green space. The addition of one roll-on cricket net at Cutteslowe Park will strengthen the community sports offer, particularly for young people, while contributing to the Plan's objectives of encouraging healthy, active lifestyles and safeguarding recreational spaces for long-term public benefit. The mobile net increases flexibility and usability of the space, enabling more community members to engage in structured activity. This aligns with the Plan's commitment to improving local amenities and ensuring</p>

	that green spaces continue to serve the needs of all age groups across the neighbourhood.
